SUMMARY

Bachelor of Science in Information Technology graduate with experience in software development, quality assurance, and customer account management. At Inspire Holdings, Inc., contributed to the Loopwork platform's transition to Version 2.0 through usability enhancements and ISO-standard QA testing. At Alorica, managed key account drivers including billing, upgrades/AAL, retention, troubleshooting, payment arrangements, device returns, account maintenance, and promotional trade-ins, ensuring customer satisfaction and retention. Skilled in web and backend programming, databases, and cloud solutions, with a proven ability to deliver user-focused solutions and efficient workflows.

WORK EXPERIENCE

Software Development Intern | QA & Outbound Sales Support Jan - May 2026
Inspire Holdings Inc. | Alliance Global Tower, Uptown, BGC, Taguig City

- Contributed to UI/UX enhancement of the Loopwork platform, architecting the transition to Version 2.0.
- Refined the landing page and core dashboard to deliver a more engaging, intuitive, and visually polished experience for users managing 16 integrated multitasking tools.
- Successfully performed Quality Assurance for Loopwork Version 2.0, including landing page, login page, and portal page, leveraging ISO Standard Software Testing protocols to ensure high-quality delivery.
- Assisted with outbound lead generation by researching target companies, initiating outreach via email, and collaborating with Itech's Sales Team to refine prospecting strategies.
- Tracked pipeline activity in Excel/CRM and participated in sales training sessions to strengthen client engagement and prospecting skills.

Customer Service Representative International Hybrid Account July- October 2026
Alorica Philippines | Centris Edsa, cor Quezon Ave, Diliman, Quezon City

- Successfully transitioned to production alongside tenured agents, handling high-volume customer interactions via voice and digital messaging (chat)
 - Provided billing support, account updates, and payment assistance
 - Assisted with service requests including plan changes, upgrades, and device-related concerns
 - Supported customer retention and handled requests for service cancellation and account changes
 - Processed promotions, rebates, and special offers for customers
 - Performed basic troubleshooting and guided customers with account and device setup
 - Worked in a fast-paced, QA-monitored environment focused on customer satisfaction
-

EDUCATION

Bachelor of Science in Information Technology (BSIT) 2022 – Present
Global Reciprocal College

Accountancy, Business, and Management (ABM) 2021-2022
Northern Isabela Academy

PROJECTS

Online Loopwork Website | Unified Multitasking & Productivity Suite

- Architected and contributed to the Version 2.0 interface of Loopwork, a productivity platform.
- Designed a high-performance landing page and intuitive user dashboard.
- Enhanced usability across 16 integrated multitasking tools, streamlining workflows and boosting digital efficiency.

Email Sender Automation System | High-Volume Outreach & Analytics

- Built a custom automated email system to eliminate time-consuming manual outreach for sales teams.
- Enabled faster, more precise communication with customers through intelligent automation workflows.
- Incorporated real-time engagement analytics to optimize outreach strategies and improve conversion rates.

Optical Clinic Online System | Complete Multi-Branch Clinic Management

- Contributed to the design and development of a multi-branch management system for North Vision Optical Clinic (Manila, Cebu, Davao).
- Streamlined operations beyond manual inputs with a dynamic dashboard and branch-specific tracking.
- Integrated sales and inventory management, customer records, role-based access, audit trails, and repair tracking.
